

T-case 800 series

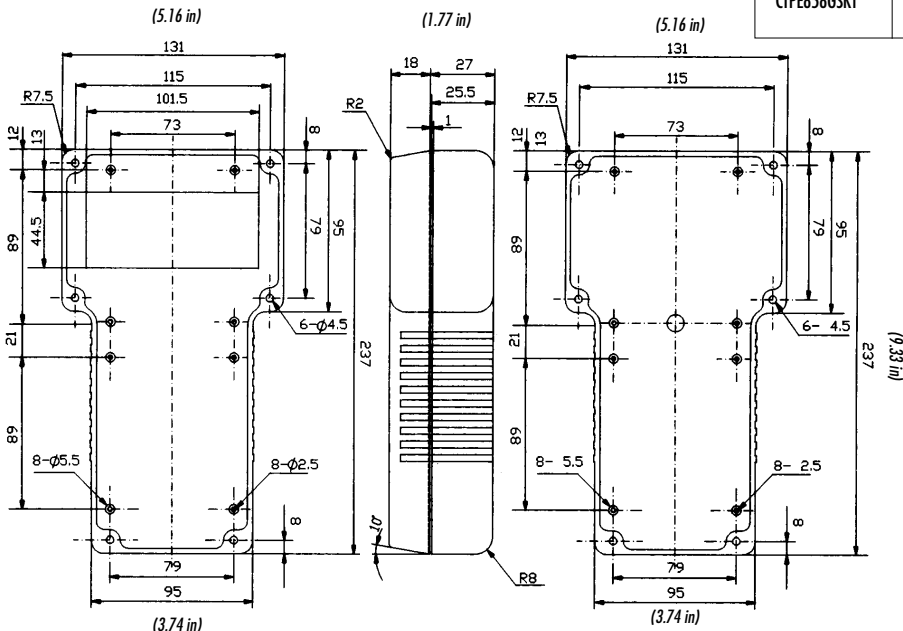

These cases are ideal for hand-held instruments. They are available in either grey or black.

- Available with either a solid display area or a cutout.
- The top and bottom parts incorporate a tongue and groove which accepts gasketing. The gasket is available as a separate item.
- Available with a battery compartment in the back which accepts a 9V 216 type, or two AA batteries.
- A durable tilting bail is included with the standard product. Which can also be used in order to wall mount the enclosures.
- Standard colors are black and light grey. Custom colors are available in volume application.
- The case is held together with the supplied M-3 screws fastened to the 6 brass inserts in the lid.
- Molded in high impact ABS.

Specifications:

- Recessed display area: 116 X 81mm (4.57 in X 3.19 in)
- Recessed keyboard area: 118 X 81mm (4.65 in X 3.19 in)
- Cutout area: 101 X 45mm (3.98 in X 1.77 in)
